FAQ

HOW DO I APPLY?

You can apply by phone by calling Mike Reiner at 1-888-335-3381 or simply complete our one-page application and fax it to 512-301-9470

HOW LONG DOES IT TAKE?

Most approvals will be issued same day.

HOW MUCH CAN I BE APPROVED FOR?

Approvals are based on credit history, time in business and financial strength. Put your wish-list together and call 1-888-335-3381

CAN I ADD OTHER EQUIPMENT TO THE LEASE?

Yes. Most any equipment you use for your business from any vendor can be added to the lease. And with a Master Lease you will only receive one bill each month.

HOW MUCH DO I HAVE TO PUT DOWN?

Most approvals will require little or nothing down. Deferred payments to help cash flow during the initial months of new equipment use may also be available.

WHAT ARE MY PAYMENTS?

Once you are approved, your payments will be determined by the length of lease you choose, and any deferred or seasonal payment options you might want to improve cash flow. It's best to send in your application early so you know what your budget is and can shop for new equipment with confidence.

WHAT HAPPENS AT THE END OF THE LEASE?

What do you want to have happen? We can structure the lease so you keep the equipment or return it. The choice is yours.
